So Simple.

High quality products provide a simple solution to your mobility challenges. The quickest, easiest and most economical way to add a walk-in shower to a home.

Are you facing these challenges?

- Limited or difficult bathtub access?
- Require assistance to enter or exit the tub?
- Planning a full bathroom re-model is expensive
- Relocating to a new home is not necessary

A SIMPLE SOLUTION

A simple and more affordable way to reduce the risk of slipping or falling. Quick Tub uses the existing bathtub to convert in to a walk-in shower. Installation is done within a day.

THE SOLUTION: QUICK TUB,
a fast, affordable way to make showering safe and convenient.
